Banza, this is the very last request today to adjust the submissions I sent in today.

RE:

EPA Reg. no. 2596-49
Track ID: CDX_2020_006781
Package ID: EP-841757
Company Name: THE HARTZ MOUNTAIN CORPORATION
Company Number: 2596

Please delete the Word version of the REDLINE label that was included in the above-referenced submission sent today, and replace with the attached corrected PDF REDLINE label showing the revisions in RED. I was experiencing issues with PDF earlier today and could not submit a correct version of the REDLINE label in PDF. This attachment now shows the marked up revisions for 2596-49. This is the last request today; thank you again and so sorry for all the inconvenience, Banza.
